DAKON Snapper Snow Thrower

The Snapper Snow-Thrower. It gets you through the worst of winter.

When the snow begins to pile up or ice over, winter may not be exactly a "wonderland" for you. Not if you're the one who's got to shovel his way through it.

But now there's the Snapper Snow-Thrower. Its big 26" wide cut will get you through even the toughest ice and snow jobs. And its two-stage system throws snow up to 40 feet away.

Completely winterized with a fully-sealed chain and gear transmission. Extra large wheels offer total stability and traction, and it is properly balanced for easy handling in the most rugged conditions.

See your Snapper Snow-Thrower dealer. Then let winter do its worst. You'll be ready.

TERMS AND CONDITIONS

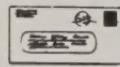

The Sioux Falls Chamber of Commerce, solely in the interest of improving quality and increasing livestock numbers in the Sioux Empire area, takes pride in presenting this offering of **QUALITY PUREBRED LIVESTOCK**.

Through the cooperation of the respective breed associations, every effort has been made to produce only such consignments that are a credit to their association.

The terms and conditions under which this sale will be conducted are as follows:

1. Each animal will be sold without reservation to the highest bidder.
2. Buyers will assume all risk on animals as soon as they are declared sold.
3. The auctioneer will settle all disputes as to bids.
4. The Sioux Empire Farm Show acts only as agent for the several consignors in this sale and does not assume any responsibility of the animal's future usefulness. If an adjustment needs to be made, it must be made between the purchaser and the consignor.
5. Any change in breeding date will be announced sale day.
6. Terms of every sale are cash. Settlement to be made with the sale clerk, at the time of sale unless special arrangements are made with the clerk.
7. Every consignment must conform with existing state sanitation regulations. All necessary health certificates will be issued.
8. Mail bids will be accepted by the Breed Superintendents.
9. During sale week, telephone bids will be accepted at the sale arena, phone number 336-6291.
10. Every precaution will be exercised for the safety and welfare of those attending the sale. However, the Sioux Empire Farm Show, the management or anyone helping with the sale assumes no responsibility for accident or injury.

The Banks of Sioux Falls are cooperating in the Clerking.

MARSHALL 331 OF G A F — This is definitely a bull you will want to note to check on sale day.

Be sure to note his **performance records**. 205 day adj wt. 661 and 365 day weight of 957. This bull has a breeding value of 108. He is truly a modern bull, being extremely long and well muscled. Also this bull carries an outstanding pedigree. His sire is a grandson of Mr. Marshall, one of the greatest Angus bulls of all times. The dam is out of a Keylyn Bardolier bull which produced so many outstanding cattle for Gauger Bros. Check this bull sale day.

TERMS AND CONDITIONS

In addition to the terms and conditions listed earlier in the catalog, the following is also in effect for the Holstein Sale.

CERTIFICATES: All certificates of registry and transfer will be furnished to the purchaser free of charge, except that young calves selling with dams and calves selling for less than \$50.00 will be registered and transferred at the buyer's expense.

WARRANTIES:

1. Each seller warrants clear title to the animal and right to sell the same.
2. Unless otherwise announced from the auction stand, each animal is sold as sound.
3. (A) **Bulls:** Are sold as being able to serve and settle after reaching 14 months of age. The buyer is expected to provide reasonable care and feeding. Should the bull prove to be a non-breeder, the buyer shall notify the seller within 4 months after the bull reaches 14 months of age. The seller shall then have 6 months to prove the bull to be a breeder. In no case shall the seller be responsible for more than the selling price.
4. (B) **Females:** Any female pregnant when sold or that has freshened normally within 60 days prior to the date of the sale is by that fact considered a breeder. Should any other female not pregnant when sold fail to become pregnant within 6 months of sale date, or if less than 15 months old when sold by the time she reaches the age of 21 months, after having been bred to a bull known to be a breeder and after having been treated by a licensed veterinarian, the matter shall be reported in writing to the seller who shall then have the privilege of 6 months time in which to prove the animal a breeder before refunding the purchase price. Females bred when sold are presumed to be pregnant but pregnancy is not guaranteed. The seller makes no warranty that pregnant cows will deliver calves or that they will carry calves full time. In no case shall the seller be responsible for more than the sale price of the animal.
5. Above warranties cease when the animal is disposed of by the original purchaser.
6. Transportation charges on all animals subject to adjustment shall be paid by the shipper.
7. **TUBERCULOSIS TEST:** Each animal, other than uncatalogued baby calves, has passed a negative test for Tuberculosis within 30 days of sale, or enters the sale from an Accredited Herd.
8. **BLOOD TEST:** Each animal, other than uncatalogued baby calves and Officially Calfhood Vaccinated females, under 30 months of age, has passed a negative test for Brucellosis within 30 days of sale, or enters the sale from a Certified Herd. Official Vaccinates under 30 months of age will sell with vaccination certificates.

This sale is being conducted in accordance with sales practices and procedures of the PDCA and the By-Laws of the Holstein-Friesian Association of America, Brattleboro, Vermont.

DEPENDABLE

Here in our part of the country most folks want to be known as **dependable**. They stand behind the goods and services they provide one another. They give their best on the job every day. And they seek to be the **dependable** kind of friend or neighbor others can really count on.

Your NSP neighbors who serve here in our great northern states want to be known as **dependable** people too. In a personal sense, and as public servants who take seriously their responsibility to provide **dependable** electric energy, reliably served where and when you need it with the least possible impact on environment.

Maybe there are other ways of being **dependable** that you think NSP ought to consider. We'd like to hear from you. New ideas are welcome.

enthusiastic and forceful. And our instruction doesn't come in small doses in impersonal, large lecture halls. It comes in thorough doses in small classes and seminars, where each student gets ample personal attention. If you have a son or daughter who has not yet benefitted from a high quality, Christian-oriented college education, have him or her contact the Director of Admissions, Augustana College, Sioux Falls, 57102. PROGRAMMED

NUTRITION FOR PROFIT

To make the most profit from your livestock, you need to feed the type of supplement that best fits your particular feeding situation. Maybe you need a complete feed, or a supplement to be mixed with grains, or a supplement to be mixed with forages.

To help you select a feeding program, your GTA Feed Consultant uses GTA's Customerized Feed Service (CFS). Your Feed Consultant samples your feedstuffs, has them analyzed, then recommends the supplement and the feeding program that will help you achieve your objectives.

With GTA Feeds you get the type of service you need to help you achieve the maximum profit from your livestock.
